## **NAVSTA Ingleside holds ribbon cutting for new facility**

A ribbon-cutting ceremony will be held Friday, April 2, beginning at 2 p.m., aboard Naval Station Ingleside for Building 101. The new 14,976 square-foot facility houses the Navy College offices, NAVSTA's Safety Office, space for a photography studio, and a 200-seat auditorium.

Navy College provides educational services and support to Sailors and their family members including CLEP testing, academic advisement, and tuition assistance. Last year, there were 1,281 course enrollments for classes held aboard Naval Station Ingleside and 68 students graduated with either an associate or undergraduate degree.

Safety personnel provide occupational, safety and health services to ensure a safe work environment for all military, civilian and contractors who work on the base.

Construction for this \$7.2 million project began in July 2002.
